RE: Debtor GMAC Mortgage, LLC

Case No. 12-12020 (MG)

Notice of Hearing on Fourth Omnibus Objection Claims

(Late-Filed Claims)

Claimant: Pamela K Ludwig

Basis for Claim: Foreclosure of property during modification to keep property.

\$218,069.25

This claim should not be disallowed. It was not late as it was received dated 11/30/12 which was the correct due date for this type of loan. I object that the original claim was late. I had a FHA loan which was a government loan and the deadline was 11/30/12.

In addition, I was unable to respond to this notice by the timeline because my husband was hospitalized with a heart virus and was recovering and needed my assistance. The mail was not received to be opened in the timeframe allotted for response. Medical documentation can be provided to support this claim if need be. There is a lot so I am not sure what would be needed. As you can imagine, you receive so many statements from all the procedures done at the hospital. I have attached just one of his Banner Health medical statements. He was recovering at home from June 3, 2013 to June 15, 2013. He was in the hospital from 05/29/2013 to 06/01/2013. There was a lot of catch up and items needing attendance after his recovery.

Please continue to process this claim.

Sincerely,

Pamela K Ludwig Mercado
